

Mayor Report
July 7, 2022

1. Worked with DNREC to have the Algae Harvester work in the South Bethany canals. After multiple delays the harvester began work in July 6th.
2. Along with the Town Manager met with Comcast to discuss the rollout of Comcast services in South Bethany.
3. Attended the ACT meeting on July 7th. Discussed the potential hiring a consultant regarding the wind farms off the Delaware coast. Objective is to improve discussions with US Wind and Orsted.
